Dear Dominic,

My husband and I would like to thank you for the great job you have done for us. We are really appreciative for how your crew had completed our job in such a timely matter. Your process on doing business is outstanding. We had prescreened many contractors before we decided to go with First Choice Remodeling and Development Group. We valued the dedication and interest you put into helping us with our project. Our remodeling project was above and beyond our expectations. We were so glad that we decided to go with your company and look forward to working with you on more home improvement projects of ours.

Thanks again!

Rene Kim
