

**To: First Choice
Re: Dominic**

This just a little note to express my satisfaction in your work. Your team did a wonderful job on my house; no job was too small or too large. Your workers are polite and courteous, and the house is always spotless when they leave. Dominic, you are an honest and hard working, and I wish you much success!

**Sincerely,
Ellen Greenbaum**

P.S. Remember you'll have a big job when I move!
